The Founder

SHERPA PROS · EDITORIAL

Hi, I'm Phyrom.

I RUN **HJD BUILDERS** OUT OF NEW HAMPSHIRE. **WORKING GENERAL CONTRACTOR, SAME AS YOU.**

I built **Sherpa Pros** for the contractors I hire every day.

Today I want **30 minutes** to show you what I built and ask if you want one of the founding spots.

bg right:40%

> *I got tired of watching good subs pay Angi five hundred bucks a month for shared leads that ghosted. The platforms got rich. The pros got squeezed. So I built the one I wished existed — built by a contractor, for contractors.* ***Jobs. Not leads.***
